It is our hope that New Vision Learning Academy will establish a tradition of excellence for many years to come and that all students and parents will accept the challenge of making our school the best.

MISSION

Enhance the personal growth and educational development of children through an academically sound program, producing intellectually able, physically healthy, capable and contributing citizens of the next century.

Increase the meaningful involvement of parents and the community in the process of educating children and to provide service and outreach support and partnerships that will strengthen families and the community.

Code of Conduct

We expect our students to be able to perform at his/her fullest potential. We believe that in order to develop competent, responsible, motivated individuals, we must provide a safe environment that is conducive to learning.

Therefore, we expect our students to know and understand the following general rules of conduct and apply those rules to themselves on a daily basis. Students are expected to:

1. Attend school whenever classes are in session;
2. Respect all school personnel and other students at all times;
3. Be on time for school and all classes;
4. Know the rules, policies, and procedures of the school and follow them at all times;
5. And in general, conduct themselves at all times in a manner that is educationally acceptable at school as well as acceptable to our society.

ATTENDANCE

Regular attendance is essential to succeed in school. Elementary students shall be in attendance a **MINIMUM OF 172 DAYS A SCHOOL YEAR** in order to be eligible to receive grades. Any student missing more than ten (**10**) unexcused days will not meet requirements for passing to the next grade.

Any student that has 5 unexcused tardies or 5 unexcused absences in a one month calendar period will be considered truant. (Truancy according to the Student Information System User Guide is when any student has 5 unexcused tardies or 5 unexcused absences in a one month calendar period)

Exceptions can be made only in the event of extended personal illness with a verified signature of a licensed physician or other extenuating circumstances approved by school officials. Excuses by physician must be submitted within **10 (two weeks)** school days of the student's return to school.

It is the student's and/or parent's responsibility to contact the teacher to arrange for making up missed assignments and or tests. If a student misses school two days or more, his/her parents must call the office before 10:00 a.m. for all assignments missed. Assignments may be picked up from the office after 2:30 p.m. Any student with perfect attendance will be given a certificate. Students arriving late or leaving early will not qualify for perfect attendance.

It is important for the student to be on time; indeed, adherence to a schedule is an important lesson in time management and self discipline. From a practical aspect, a tardy child begins his or her day in a disruptive manner; other students and teachers are also subject to that disruption. If a student has repeated tardies, the Executive Director or designee will conference with parents. Three unexcused tardies is equal to one unexcused absence .

BIRTH CERTIFICATE AND SOCIAL SECURITY CARD

All students attending public schools must have a valid birth certificate and a social security card on file with the school. The school will not keep the original, but needs to see them when the child enters school for the first time. A copy will be made for the school and the original returned to the parent.

Transportation

School Bus Procedures and Guidelines

In order to ensure the safety of each child, New Vision Learning Academy has set bus behavior guidelines. Please review these guidelines with your children. Ignorance of the rules is not an excuse for non-enforcement. Students violating these rules may forfeit bus-riding privileges.

New Vision Learning Academy will utilize school owned buses to provide transportation to students with specific transportation accommodations in their IEP.

When the parent or guardian of a student under the age of ten (10) or with a relevant transportation accommodation on the student's IEP is not at the bus stop, the parent or guardian will be solely responsible for getting the child to school.

Bus Stop Procedures

Students should observe the following procedures at bus stops:

- Be at the assigned bus stop five minutes before the bus is scheduled to arrive.
- Stay off the road when waiting so the driver has room to stop.
- Line up in an orderly fashion and wait for the bus to come to a complete stop before boarding. Do not crowd or push.
- Use the handrail when getting on the bus. Walk up the steps one at a time.
- Have respect for people's property. Don't trample lawns, flowers, or shrubs.
- Students with bare feet will not be allowed to ride the bus.

New Vision Learning Academy will assist in solving problems at the bus stops; however, it cannot legally assume responsibility for incidents that occur.

To notify the school of issues involving transportation, the parent, guardian, or students should submit in writing the date, the issue, involved parties, and must identify themselves.

PLEASE SEE TRANSPORTATION PROCEDURES AND GUIDELINES FOR ADDITIONAL INFORMATION.

Fees

New Vision Learning Academy does not assess student fees. Books and Instructional materials are free of charge unless lost/damaged by the students. Please see office for replacement process.

A listing of families who have received assistance enabling them to comply with New Vision Learning Academy Student Uniform Policy will be maintained by New Vision Learning Academy Office.

VISITORS

All visitors must sign in through the office. Parents are asked not to go into the classroom without an appointment. Teachers will be happy to conference with parents after school or during their planning or enrichment periods. Whenever a teacher stops to visit with a parent, the entire class loses time. Please help us give your child and others the best possible education.

Special notice:

1. Any student leaving between 8:00 a.m. and 3:15 p.m. must be signed out at the office by a parent.

TARDY POLICY

Students are expected to be punctual in arriving for classes. Any student who arrives after the tardy bell has rung, at 8:00 a.m., will be considered tardy. Helpful Guidelines for School Attendance

Keeping students healthy can be a major effort for both school personnel and parents. Here are some guidelines to consider when deciding whether your child should attend school.

FEVER is a sign of infection or illness. If your child has a temperature of 100 degrees or above, he/she should remain at home. Children must be free of fever for 24 hours without fever medication before returning to school.

VOMITING AND DIARRHEA are often contagious. Your child should be watched closely for dehydration. Children must be free of diarrhea and vomiting for 24 hours before returning to school.

Runny noses and coughs are common for children during the cold and allergy seasons. These should be watched carefully. Your child should remain at home if he/she is too uncomfortable to benefit from instruction, *has a frequent cough and/* nasal discharge. If these symptoms persist, a doctor should be consulted.

RINGWORM is a fungal infection of the skin and may be spread from one child to the other. There are two types: Ringworm of the Scalp and Ringworm of the Skin. The student must be seen by a doctor and be on medication for 24 hours before returning to school. A note from the doctor is required before being admitted to class.

RASHES vary widely, both in appearance and severity. Whereas a small, isolated area may not warrant keeping your child home, a rash covering a large portion of the body would. A doctor should be consulted if a rash accompanies an illness, if the rash covers a large portion of the body, if the rash is spreading, or if the child is too uncomfortable. If it is necessary to consult a doctor, a letter is required when returning to school.

SORES may be caused by a bacterial skin infection. These often begin around the nose and mouth but may appear at the site of a minor injury and then spread to normal skin nearby. This type infection is contagious and may cause serious problems for the infected child. A doctor's note is required when returning to school, and the student must have been on prescribed medication for 24 hours.

PINK EYE is another common condition seen in schools. It is contagious and must be treated with a medication prescribed by a doctor. Symptoms include redness, itching, swelling, drainage and excessive tearing upon awakening in the morning. (Eyelids may be "stuck" together.) Do not send student to school with these symptoms. Student may return to school after being on medication for 24 hours and if symptoms have disappeared. A note stating the name of the medication used is required.

We thank you for helping us keep your children healthy.

EMERGENCY CLOSINGS

School closings are occasionally necessary. In this event, such information can be obtained from the radio, television, or the J Call Parental Notification Messaging System. Should emergency situations require the closing of New Vision Learning Academy, during the day, parents will be notified before students are dismissed by radio, television and J Call Parental Notification Messaging System announcements.

PERSONAL PROPERTY

Any articles found on the campus are to be turned into the office. Lost items should be reported to the teacher and the office. Parents may help alleviate this problem by labeling all clothing and other valuable items.

FIELD TRIPS

A field trip is any activity outside the routine school experience in which students and teachers leave school grounds. Students will be given the opportunity to participate in a field trip if they have consistently demonstrated behavior that would reflect favorably on the school. Permission slips must be returned for **every** field trip. Students must wear their New Vision Learning Academy Spirit shirt on every field trip.

TEXTBOOKS/ LIBRARY BOOKS

Textbooks and library books that have been damaged must be paid for at the time of damage. Lost or damaged books must be paid for by the last day of school, or report cards will not be issued until the payment is received.

All materials must be checked out before leaving the library. Students should not loan their library books to other students.

Students are encouraged to have a Ouachita Parish library card on file. This will allow them to check out books from the Book Mobile. New Vision Learning Academy is **not** responsible for lost or stolen library books or late fees.

HOMEWORK

Homework will be provided daily throughout the school year. Homework sheets are provided weekly and/or may be viewed on newvision.edgear.net/progress. Please create a login. There are several reasons for homework:

1. To provide extra practice on learned skills.
2. To provide further learning to areas covered in the classroom.
3. To provide an opportunity for students to learn good work habits and grow in responsibility.
4. To provide you with an opportunity to see what your child is studying and how well he is doing.
5. If a student misses school for two days or more, his/her parent must call the office before 10:00 a.m. for all assignments.

Assignments may be picked up, from the office, between 2:00-2:45 p.m.

Daily homework, in no way, is to be viewed as punishment, but rather as a way to encourage and extend learning.

SUGGESTIONS FOR HOMEWORK

1. Ask your child/children if he or she has homework that day. Be aware that homework is assigned every day. After school is not offered on Thursdays, please ensure that your child homework is complete.
2. Provide your child with a quiet place to work and study where he/she is not disturbed by younger children or pets.
3. Help your child set a regular homework time each day and remain with the commitment. Free your child of other responsibilities at that time.
4. Become interested in your child's homework. Ask him/her to show the homework to you and explain what the work completed was about. Sharing your child's work with him or her reinforces the importance of homework and helps the child to understand that you are interested in his/her work progress.
5. Remember that homework is your child's work, not yours. You should not do the work for your child; rather you should be concerned with whether or not your child has done the work.

AFTER SCHOOL AND SATURDAY ACADEMY PROGRAMS

You may enroll your child(ren) in the After School Program from 3:30 p.m.—5:30 p.m. Monday-Wednesday and in the Saturday Academy Program from 9:00 a.m.—1:00 p.m. After School is not held on Thursday or Friday. The After School and Program is available for all students in grades K-6, **but mandatory for all 4th graders and new students in grades K-6th**. Saturday Academy is available for all students in grades 3-6, **but mandatory for all new students**. The programs will provide daily assistance, skills building, enrichment, recreation, and snacks, as well as a safe place for your child during the most dangerous hours of the day.

DISCIPLINE

Despite the best efforts of a teacher, there are students who cannot, or will not control themselves and repeatedly disrupt the school program. A school administrator or teacher will inform parents of serious disciplinary problems and will arrange appropriate conferences.

Discipline Procedure

The discipline ladder is a process in which the student controls his or her own fate.

Step 1: **Warning:** Identify the problem; the teacher lets the student know what behavior is not acceptable.

Step 2: **Conference:** Teacher and student discuss the facts that contribute to the misbehavior and the consequences that will result if Disruptions continue.

Step 3: **Disciplinary Report:** The student is sent to the Dean of Students. Details of the incident are discussed with the student. Appropriate alternative strategies are also examined. Parent is notified by phone.

- Step 4: **In School Discipline:** A student can be given In School Discipline in lieu of a suspension as another strategy to improve unacceptable behavior.
- Step 5: **Suspension:** Students will be suspended from school for one, two, or three days. The length of the suspension will be determined by the Dean of Students. The number of offenses and the severity of the case will determine the length of suspension. State law mandates that after a child is suspended a conference is to be held with the parent, child, and principal in the school office before the child can return to class.
- Step 6: **In School Suspension:** A student can be given In School Suspension in lieu of a suspension as another strategy to improve unacceptable behavior.

The Board of Directors of New Vision Learning Academy will record each student due process. A student and his/her parents or guardian may appeal a disciplinary decision within five (5) working days of the action being rendered. The written request for appeal must be submitted to the Director. The Director shall schedule a meeting with all parties involved within five (5) working days of receipt of the appeal. The Director's decision will be considered final unless the student and his/her parent chooses otherwise. In such a case, the student/parent shall submit a written request to the New Vision Learning Academy Board of Directors.

Guidelines and Procedures for Use of Seclusion and Physical Restraint

The Board of Directors of New Vision Learning Academy believes that maintaining an orderly, safe environment is conducive to learning and is an appropriate expectation of all school employees within the School. The Board recognizes that there are times when it becomes necessary for employees to use reasonable restraint and/or seclusion to protect a student from causing harm to themselves or to others.

Seclusion and physical restraint as defined in these guidelines should be used only as means of maintaining a safe and orderly environment for learning and only to the extent necessary to preserve the safety of students and others.

Positive behavior interventions and supports and conflict de-escalation methods shall be used regularly to minimize the need for use of restraint and seclusion. The use of these methods must be done before the use of restraint and seclusion. School employees must make every effort to prevent the need for use of restraint and seclusion on students.

Seclusion or physical restraint shall never be used as a form of punishment as a disciplinary measure, as a means of coercion or retaliation, or as a convenience.

Use of seclusion or physical restraint may also be a component of a behavior intervention plan (BIP) and/or an Individualized Education Program (IEP). If such is the case, the terms of the BIP or the IEP will control the use of these measures.

An appropriate training program of physical restraint and seclusion is being used at NVLA. The training program includes behavioral support, prevention, de-escalation and crisis response techniques. NVLA currently utilizes non-violent crisis intervention training provided through the Crisis Prevention Institute (CPI).

Training will be done on an annual basis and given to the appropriate employees in each building as determined by the Administration.

Except in the case of an emergency, only school employees who are current in the designated training program may implement physical restraint or seclusion with a student. An individual who applies physical restraint should use the techniques in which she/he has received such training within the preceding two (2) years, as indicated by written evidence of participation. Physical restraint and/or seclusion should be used only when a student's behavior poses an imminent threat of serious physical harm to the student or to other persons present or damage to school property.

These items are subject to theft and/or loss at your own risk. Students with these items in the building or during school hours will have them confiscated.
